Reports:

Northern Federation- September 13 meeting will feature a report from French and Pickering Creeks Conservation Trust on the Schuykill River work being funded by the William Penn Foundation.

WVT Parks and Rec will have movie night on August 27, *Guardians of the Galaxy*.

Historic Walk- was a success; trolley tour well attended by approximately 340 people.

Historic Resources Committee- working on Atlas consistency; concerned about Benner Farm; call Brian (Cedarville) re: Brunner/ Zarichniak farmscape.

School House Park- concern with blocking exit. Harriet Stone spoke with Kelly Defibaugh, secretary, to owners of adjacent building.

Zoning Ordinance- Jane Helm will resend information to EAC since no one brought copies along. Will waive discussion until September. Recommended- A Guide to Preserving Trees in Development Projects.

Old Business:

Trails- Fox Hollow Trail. Jane Helm volunteered to blaze 4 X 4 posts installed by developer with the WVT logo.

New Business:

We need to make a list of suggestions to send to the Planning Commission for changes to the SALDO and ZO. We should work with Erica to implement these changes.

The meeting was adjourned at 6:14 P.M.
