

EVERYONE IS INVITED!!

Evans Park in West Vincent is hosting the next:

Mercury MILE

FREE

Join a short 1-mile community walk NOON WED (05/04) at Evans Park (aka Township Park). The park is next to the township building. Meet at the parking lot and use the address 2412 Conestoga Rd., Chester Springs for GPS. It's near the intersection of St. Matthews Rd and Conestoga Rd. Join and learn more about the township's upcoming Community Day on May 7.

(If there's inclement weather on Wed then the walk will be canceled and the series will continue next week at a different location.)

As part of our Fit for Life program, everyone's invited to join us every Wednesday for a 1 mile walk or activity. As well as network and meet new people.

The location will change week to week. On some Wednesdays, different organizations or businesses host the lunchtime activity

For more about The Mercury Mile or if you're interested in hosting a walk or activity, contact Michilea Patterson at mpatterson@pottsmmerc.com or call 610-850-0282
