

WEST VINCENT TOWNSHIP  
OPEN SPACE ADVISORY COMMITTEE

MINUTES OF MEETING DECEMBER 27, 2016

The meeting was called to order at 5:03. Present were Messrs. James and Brown, and Ms. Weidner. Also present were Glen Hill and Pam Brown. In Mr. Dietrich's absence Mr. Brown served as Secretary.

Mr. Brown announced that the Township Solicitor had told him in an e-mail that discussion and evaluations of properties by the Committee may take place in executive session, because the function of the Committee is to evaluate properties for potential real estate (TDR) acquisition by West Vincent Township.

Mr. Hill asked About the Committee's progress in ranking properties. The Committee responded that the site visits to date are complete, and rankings are being compiled. Mr. Hill asked to be informed, in a general sense, of where his property ranks among others that have been evaluated. The Committee agreed to do that.

Ms. Brown then addressed the Committee on various ways and means by which open space may be preserved, and outlined the history of open space preservation in West Vincent.

Mr. Brown announced an executive session of the Committee, to be held immediately following the public meeting. He asked Ms. Brown to attend, to provide further information of a general nature.

The public meeting was adjourned at 4:35.
