WV EAC - Birds & Bees Garden Club - Garden Demonstration - the "Lasagna Method"
- our garden demonstration on how to prepare a new spring flower bed using the "lasagna method", held on Saturday, October 23 was a great success! Many new people were met, we felt the energy growing, and we now have a new flower bed in Evans Park!

The next task for spring flower preparation will be to grow the plants for our Township bed and

A good time for planting the seeds that require cold stratification would be the end of January.

Please contact Donna Delany (d.delany@comcast.net) if you would like to be part of the planning process for the seed growing and/or if you have experience growing native plants from seed.
