11. WORKER'S COMPENSATION INSURANCE COVERAGE

A. The applicant is:

A worker within the meaning of Pennsylvania Workman's Comp Law

YES NO

B. Insurance Information:

Name of Applicant _____

Federal or State Employer ID # _____

Applicant is qualified Self-Insurer for workman's comp YES NO

Certificate attached? YES NO

Name of Workman's Comp Insurer _____

Worker's Comp Policy # _____

Policy Expiration Date _____

C. Exemption:

Complete this section if applicant is a contractor claiming exemption from providing workman's comp insurance.

The undersigned swears or affirms that he/she is not required to provide workman's comp coverage under the provisions of the PA Workman's Comp Law for one of the following reasons as indicated:

____ Contractor with no employees. Contractor prohibited by law from employing any individual to perform work pursuant to this permit.

____ Religious Exemption under Workman's Comp Law

Applicant _____

Phone _____ **Address** _____

12. CERTIFICATION & ACKNOWLEDGEMENT

The applicant certifies that all information on this application is correct and the work will be completed in accordance with the "approved" construction documents and the Uniform Construction Code and any additional approved building code requirements adopted by the Municipality. The property owner and applicant assumes the responsibility of locating all property lines, setback lines, easements, right of ways, flood areas etc. Issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel, or set aside any provisions of the codes or ordinances of the Municipality or any other governing body. The applicant certifies he/she understands all of the applicable codes, ordinances and regulations.

Application for building permit shall be made by the owner or leasee of the building or structure, or agent of either, or by the registered design professional employed in connection with the proposed work.

I certify that the code administrator or the code administrator's authorized representative shall have the authority to enter the covered area by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit.

Outline of Required Residential Inspections

The following list is a fair representation of the inspections required, in chronological order, for a Certificate of Occupancy for a new single-family dwelling under the ICC Residential Code and the Pennsylvania Uniform Construction Code. Additional inspections may be required at the discretion of the Building Inspector or Chester County Assessment Office.

- SETBACK** - performed after the lot has been staked out to ensure that the structure is laid out within the building envelope.
- FOOTING** - performed after excavation, all forms are in place with all required rebar in place and properly supported, all debris removed from footing excavations, bottom of footings solid and capable of design support, depth pins at the edge of the footing, layout conforms to approved plan (no 'jumps' in footing at line of garage unless designed as such).
- FOUNDATION** - poured concrete: performed after forms are completed, all required rebar is in place, no debris in forms, all penetrations properly formed cmu: performed at the beginning to determine compliance with proper mortar head and bed joints.
- BACKFILL** - performed after foundation walls are complete or forms are stripped for proper height, anchor bolt placement, damp/water proofing, perimeter drain, parging, and insulation, per design on approved plan. also confirm that first floor deck is in place or walls are properly braced or no more than 4' of backfill.
- FRAMING – ROUGH** - performed after entire structure is framed to determine compliance with code and design, anchor bolts/straps in place and compliant, jack studs, load bearing supports, proper fastening, braced wall lines, narrow wall bracing, roof tiedowns, foundation straps, sheathing- wall and roof, window and door installation per manufacturer's instructions and fire blocking.

- ROOFING** - performed at the same time as rough framing and includes underlayment, flashing, drip-edge, roof and soffit venting, shingles, and vent boots.
- PLUMBING- ROUGH** - performed at the same time as rough framing and includes laterals and services (sewer and water), water supply (test witness), drain-waste-vent (test witness), gas piping (test witness).
- MECHANICAL- ROUGH** - performed at the same time as rough framing and includes ductwork, return air, combustion air, appliance location and utility feeds.
- ELECTRICAL**- rough (shall be done before rough framing inspection) record name of inspecting agency and date of rough inspection.
- ENERGY CONSERVATION** - insulation, Tyvek (building wrap), window/door flashing, nffc ratings for all fenestration-record to confirm compliance.
- DRYWALL** - performed as the lay-up begins, to check fastening and fit, return if necessary for follow-up.
- FINAL** - perform final review of all systems: plumbing, mechanical, electrical, check total building, basement insulation and finish, confirm that grading (and landscaping) conforms to approved land plan.

13. REIMBURSEMENT AGREEMENT FOR PROFESSIONAL SERVICES

The Township Engineer, Solicitor, and other professionals review applications in connection with erosion control and subdivision and land development. The professional fees are chargeable to the applicant/developer under the Municipalities Planning Code (MPC) Section 503 including but not limited to, plan reviews, meetings, applications requirements, draft agreements, and consultations and for subsequent inspections of site or subdivision improvements made by the applicant/developer. Invoices for these professional services will be invoiced to applicants/developer as they incur. The fees for such services are established by resolution and listed on the Annual Fee Schedule.

As per Article VI, Section 602 of the Stormwater Management Ordinance of 2014:

- A. The expenses that are covered by Building Application/Permit Review fees shall at a minimum cover:
 1. Administrative costs
 2. The review of the SWM Site Plan by the Municipality, the Municipal Engineer, and other Consultants
 3. Coordination and meetings with the applicant
 4. The inspection of erosion and sediment control measures, Best Management Practice (BMPs), Conveyances and other related improvement during construction
 5. Review of project communications, reports, and additional supporting information

RESIDENTIAL BUILDING PERMIT APPLICATION

- 6. Other Site inspections
- 7. The final inspection upon complete on the BMPs, Conveyances, and other stormwater management facilities and related improvements presented in the SWM Site Plan
- 8. Review of final As-Built Plan submission and revised calculations, and inspections, as needed.
- B. The Applicant shall also reimburse all expenses incurred by the Municipality for any additional work or municipal consultant fees required to enforce any permit provisions regulated by this ordinance, correct violations, and ensure proper completion of remedial actions.
- C. To the extent that the Applicant disputes the amount of any of the above-referenced fees, the procedures set forth in Section 510.G of the PA Municipalities Planning Code shall be utilized to resolve the same.

This Agreement is required to be executed as part of any application submission contemplated above and/or before any contact with Township professionals, along with a Professional Escrow Agreement (if applicable) acknowledging that the applicant/developer is aware of the costs to be paid by him/her and by making an escrow deposit, if applicable, as indicated by the West Vincent Township Subdivision & Land Development Ordinance (SALDO) – as amended, Article XII Administration, Sections 1201 Enforcement, Section 1202 Fees and Costs, and Section 1203 Waivers and Modifications.

The Applicant Developer acknowledges that Final project approval may be withheld by West Vincent Township until all engineering services/inspection fees are paid to the Township as contemplated herein.

I have read and understand this agreement and I am aware of the procedures that will be followed and the costs that I am responsible for.
